WORK EXPERIENCE

STUDENT REPRESENTATIVE

UCSD Alpha Clinic Community Advisory Board

June 2024 - Present

- Provide thoughts and opinions from a student perspective to increase student knowledge of clinical trials.
- Explore current clinical trials and engage with previous patients who speak about their personal experiences.
- Assist in informing others in an educational setting regarding underrepresented infectious diseases.

DESIGNER

First Gen Scholars

November 2022 - June 2023

- Attend weekly Zoom meetings for 1 hour, alternating between club and board meetings.
- Create flyers and infographics to highlight the stories of first-generation students.
- Contribute innovative ideas to enhance the club.
- Utilized Adobe Photoshop and Canva to design graphics

STUDENT RESEARCH INTERN

UCSD Summer Program to Accelerate Regenerative medicine Knowledge (SPARK)

June 2022 - August 2022

- Worked 30 hours a week at Moores Cancer Center.
- Studied regenerative medicine with an emphasis on Jurkat leukemia stem cells.
- Utilized lab procedures: cell culture with Jurkat cells, RT-qPCR, RNA extraction.
- Underwent training for first aid, taking vital signs, and performing procedures for a physical exam.
- Created and presented a scientific poster at CIRM's annual SPARK conference.
